

Personal Details

Date of Birth: 08/05/1991 **Address:** M. Mantaka 9, Korydallos, 18122
Nationality: Greek
Sex: Female **Telephone** +30 2104927622
Mobile: +30 6943747754 **E-mail:** sofia.lagoumtzi@gmail.com

Education

10/2016-10/2017 : Medical School of Thessaly, Larissa (Meduth)
Master degree (Msc) in **Human Genetics**

- Final grade: **8.42/10**
- Thesis project: **The investigation of the role of caveolin-1 in the osteoarthritic phenotype of chondrocytes**, Research project, Cytogenetic and Molecular Genetics laboratory . (cell cultures, siRNA, RNA extractions, cDNA synthesis, PCR, electrophoresis, Real Time PCR, Microscopy, SPSS statistical analysis)

02/2010-11/2015 : *Technological Educational Institute of Athens (TEIAth)*
Ptychio (BSc) in Technology/Science of Medical Laboratories

- Final grade: **6.76/10**
- Thesis project: ***Genetic mechanisms and the change in the synthesis and function of proteins: phenylketonuria (PKU), cystic fibrosis (CF) , muscular dystrophy (DMD), Alzheimer's disease (AD).***

09/2006-06/2009 : *3rd General Lyceum of Nikaia*
Apolytirio (High School Diploma)

- Final grade: **18.2/20**

Further Education

11/2015-05/2016 : *Technological Educational Institute of Thessalias, Larissa*
Life-long learning programme
Specialisation in Clinical Laboratorial Diagnostics in the field of Clinical Molecular Biology. Result: Passed

11/2015-06/2016 : *National and Kapodistrian University of Athens*
Certification programme
English Medical Terminology , Grade:8

Employment / Practical Training History

09/2017-present Private Tutor (Biology)

- 06/2018-07/2018 **New Diagnostic Dimension**
Product Manager at Molecular Biology Department
- 02/2016-08/2016 **Saint Savvas Cancer Hospital of Athens, Immunology Department**
Volunteer Internship
- RT-CPR, cell culture techniques, RNA extractions, cDNA synthesis, western blot, evaluation of cell proliferation rate
- 03/2016 : **Laboratory of Dr A Saeetta, Pathology Department, Medical School of Athens**
Volunteer Trainee
- Observed: PCR, RT PCR, Electrophoresis, Gel Agarose preparation
- 04/2015-09/2015 : **Biomedical Research Foundation Academy of Athens**
Practical Training Internship, Hellenic Cord Blood Bank
- Evaluation and treatment of umbilical cord blood for allogeneic transplantation
 - Treatment of mesenchymal cells from the umbilical cord aiming at cyropreservation for familial use
 - Flow cytometry
 - Microscopy
 - Interviewing candidate parents for appropriateness as donors and briefing them on the value of donation
 - Recording of data in computer systems
- 01/2010-05/2010 : **Michalis' Creations Flower Shop**
Salesperson

Major Academic Projects

- *Molecular Biology and Criminology*
- *Protocol for extraction of mesenchymal cells from the umbilical cord*
- *Main methods of taking and processing units of umbilical cord blood according to the Hellenic Cord Blood Bank*

Seminars and Related Activities

- 17th International Conference on Progress in Vaccination Against Cancer, <Alexandriou> Conference Hall, 27-30/09/2017
- 2nd Congress of the Medical Genetics Association of Greece, "Investigating the Human Genome, Addressing Genital Diseases", 4-6/10/2016
- 66th Pan-Hellenic Congress of the Hellenic Society of Biochemistry and Molecular Biology, 11-13/12/2015
- Scientific Symposium: *10 Years Hellenic Cord Blood Bank*, Biomedical Research Foundation Academy of Athens, 02-03/07/2015
- *FACT Cellular Therapy / Regenerative Medicine Workshop*, Hellenic Cord Blood & University of Nebraska Medical Center, Biomedical Research Foundation Academy of Athens 01/07/2015
- 5th Pan-Hellenic Scientific Congress of Medical Laboratory Technologists, 21-23/05/2015
- 65th Pan-Hellenic Congress of the Hellenic Society of Biochemistry and Molecular Biology, 28-30/11/2014

- *64th Pan-Hellenic Congress of the Hellenic Society of Biochemistry and Molecular Biology*, 06-08/12/2013
- *3rd Pan-Hellenic Scientific Congress of Medical Laboratory Technologists* with international participation, *1st Forum of Biomedical Laboratory Scientists of Greece*, 10/03/2012
- *Microbiology Seminar*, 22/10/2012
- *Medical Biochemistry Seminar*, 21/10/2012

Language Proficiencies

- **Greek:** Native speaker
- **English:** C2 Level – Cambridge Certificate of Proficiency
- **French:** A2 level

IT Skills

- SPSS
- International Diploma in IT Skills
 - Windows, Microsoft Word, Excel, Access, PowerPoint, Outlook, Internet Explorer

Extracurricular Activities & Interests

- Ballet
- Cinema and theatre
- Jazz music

Academic & Professional Referees

Dimas Konstantinos, Assistant Professor of Pharmacology, Medical School of Larissa (University of Thessaly), E-mail: ksdimas@yahoo.com

Tsezou Aspasia, Professor of Medical Genetics, Medical School of Larissa (University of Thessaly), E-mail: atsezou@gmail.com

Thaleia Bei, Associate Researcher, University of Western Attica, Collaborator of Mr George Chrousos, Telephone: 00306942439778, E-mail: thmpei@uniwa.gr

Nikolaos Thalassinos, Assistant Professor, University of Western Attica, Telephone: 00302106442295, E-mail: seamannick@gmail.com

Aikaterini Stavropoulou-Gkioka, Head of Hellenic Cord Blood Bank, Telephone: 00302106597341, E-mail: cstavrop@bioacademy.gr

Constantinos Baxevanis, Scientific Director, Saint Savvas Cancer Hospital of Athens, Telephone: 00302106409380, E-mail: baxevanis@ciic.gr

Athanasios Tsourolis, General Director, Biomedical Research Foundation Academy of Athens, Telephone: 00302106597085, E-mail: atsour@bioacademy.gr
