

CURRICULUM VITAE

SURNAME: GEORGIADOU

NAME: STELLA

BIRTH DATE: JUNE 1, 1977

PLACE OF BIRTH: ATHENS

FAMILY SITUATION: MARRIAGE WITH 2 CHILDREN

ADDRESS: FARCADONOS 17-19, ATHENS

PC: 11142 TEL: 2102527332

E-MAIL: sgeorgiadou@uniwa.gr

1. EDUCATION:

- Graduate of the Department of Optics, TEI of Athens,
October 2001

- Graduate of the Interdisciplinary Postgraduate Program in
the field of "Optics and Vision" of the University of Crete in
March 2006

2. PROFESSIONAL ACTIVITY:

- In the optician shop under the brand name Vista from 17
November 2000 to 10 October 2003.
- At the LASERVISION Ophthalmology Center from July 2006 until
today.

- Laboratory Associate at the TEI of Athens, Department of Optics and Optometry from October 2010 to July 2018
- Academic Fellow in the Department of Biomedical Sciences in the field of Optical Optometry from November 14, 2018 until today.

3. PUBLICATIONS

1. **Digital pupillometry and centroid shift changes after cataract surgery** Anastasios John Kanellopoulos, MD, George Asimellis, PhD, Stella Georgiadou, MSc, OD. J Cataract Refract Surg 2015; 41:408–414 Q 2015 ASCRS and ESCRS
2. **Objective Evaluation of Planned Versus Achieved Stromal Thickness Reduction in Myopic Femtosecond Laser-assisted LASIK** Anastasios John Kanellopoulos, MD; Stella Georgiadou, OD; George Asimellis, PhD J Refract Surg. 2015;31(9):628-632.

4. ANNOUNCEMENTS IN SCIENTIFIC CONFERENCES

1. M. Chiridou, M. Chalikia, **S. Georgiadou** , A. J. Kanellopoulos, Is wavefront-guided necessary for re-treatments? A comparison of 65 wavefront-guided LASIK enhancements with 64 asphericity-adjusted enhancements, Poster presentation, 11th Winter Refractive Surgery Meeting, Athens , Greece , 1-4 February 2007
 2. M. Chalikia, M. Chiridou, **S. Georgiadou** , A. J. Kanellopoulos, [A prospective evaluation of asphericity-adjusted LASIK with the Allegretto-Wave and the M2 in 645 eyes](#), Poster presentation, 11th Winter Refractive Surgery Meeting, Athens , Greece , 1-4 February 2007
 3. **S. Georgiadou** , M. Chiridou, A. J. Kanellopoulos, Laboratory evaluation of LASIK flap parameters created with two femtosecond lasers, 18th Congress of ESCRS, Paris 4-8 September 2010
-
4. M. Chiridou, **S. Georgiadou** , A. J. Kanellopoulos,

LASIK with the Wavelight surgery station: ultra-flap femtosecond technology and the 500Hz excimer laser. Initial clinical experience 18th Congress of ESCRS, Paris 4-8 September 2010

5. M. Chiridou, **S. Georgiadou**, A. J. Kanellopoulos, The importance of a thorough pre-operative evaluation protocol, intra- operative data registration, equipment calibration in the results of LASIK procedure, ESONT meeting, Paris 4-6 September 2010

6. I. Kontari, V. Skouteris, K. Moutsouris, **S. Georgiadou**, V. Moustou, A. J. Kanellopoulos: Serious chemical corneal burn after instillation Malaleuca Alternifolia for the management of chronic blepharitis. Free paper A9 at 44^o Panhellenic Ophthalmological Congress, 18th May 2011, 12.00-14.00pm, Athens, Greece

7. **S. Georgiadou**, A. J. Kanellopoulos: Evaluation of femtosecond laser-assisted clear cornea cataract surgery in lens exfoliation syndrome (LES). Poster presentation 46th Panhellenic Ophthalmological congress, May 23rd-26th, 2013, Messinia, Greece.

8. **S. Georgiadou**, A. J. Kanellopoulos: Evaluation of corneal topography, astigmatism with the use of tissue adhesive in sutureless DSAEK. Video presentation 46th Panhellenic Ophthalmological congress, May 23rd-26th, 2013, Messinia, Greece

9. M. Chiridou, **S. Georgiadou**, V. Moustou
Implementation of ophthalmology patient safety checklists in clinical practice, Free paper at Esont annual meeting, Amsterdam Oct. 2013

10. **S. Georgiadou**, V. Moustou, M. Chiridou
Clinical experience with facility of telemedicine in ophthalmic diagnosis and treatment, Free paper at Esont annual meeting, Amsterdam Oct. 2013

11. V. Moustou, M. Chiridou, **S. Georgiadou**
Web/broadcasting and livestreaming in ophthalmic operations, Free paper at Esont annual meeting, Amsterdam Oct. 2013

12. **S. Georgiadou**, G. Asimellis A. Kanellopoulos Planned vs achieved stromal thickness reduction in femtosecond laser-assisted Myopic LASIK: an objective evaluation, Free paper at 20th Winter Refractive Surgery Meeting of ESCRS, Athens 26-28 February 2016

13. **S. Georgiadou**, A. Kanellopoulos G. Chatzilaou: Identification of potential microbial ophthalmological procedure risk factors: multiple operating suite surfaces and air volume cultures, Poster at 20th Winter Refractive Surgery Meeting of ESCRS, Athens 26-28 February 2016

14. **S. Georgiadou**, A. Kanellopoulos : The psychometric quality of life impact of keratoconus treatment with the Athens Protocol: a long-term study. Poster at 23rd Winter Refractive Surgery Meeting of ESCRS, Athens 15-17 February 2019

15. **S. Georgiadou**, A. Kanellopoulos : Comparison of corneal epithelial remodeling over 2 years in LASIK vs SMILE: a contralateral eye study. Poster at 23rd Winter Refractive Surgery Meeting of ESCRS, Athens 15-17 February 2019

5. LANGUAGES:

English, First Certificate in English (Lower)

Athens July 2019
