Invitation

Dear colleagues,

It's a privilege to announce the 3rd Greco-Israeli Hematology Meeting, which will be held in Thessaloniki, 7-9 May 2020.

After two successful meetings, in Thessaloniki 2018 and Tel Aviv 2019, we are convinced that this meeting, which has been organized as International Congress will be even more productive. New data in the most important topics of Hematology will be presented in the scientific program. We also continue the successful sessions of Working Groups, which are active, offering the participants the opportunity to discuss their work and research.

In this meeting, we have the pleasure to welcome our colleagues from Cyprus, expanding the borders in the field of collaboration.

We invite you all to join the meeting, because "Joint effort opens new horizons in Hematology".

We are looking forward to welcome you in Thessaloniki in May 2020!

CALL FOR ABSTRACTS

Instructions for authors

The 3rd Greco-Israeli Hematology Meeting will take place in Porto Palace Hotel, Thessaloniki Greece, on May 7, 8 & 9, 2020.

Delegates who would like to present their work at the Greco-Israeli Hematology Meeting are invited to submit an abstract.

Abstracts for presentation will be reviewed and accepted as an oral or poster presentation.

► General instructions

- All abstracts should be submitted in English. Abstract submission deadline is **February 24, 2020** - Modification of Abstracts will not be accepted after the deadline.
- Abstract presentation during the Congress must be in compliance with the submitted Abstract, (title, authors and content). There will not be a submission fee.

► Preparation of the Abstract

Title

- Title must be short and concise and written in capital letters.

Authors - Centre of Origin/Affiliations

- This information should be typed below the title, in lowercase. The first name should precede the last name and NOT written in full, but only with the first initial. (Eg D. Smith).
- Center of origin/Authors' Affiliations should be written below the authors.
- In case of multiple origin centers, they must be separated by numbers in superscript:
 - After each name, e.g. D. Smith¹, A. Dimou²
 - Before each center origin, e.g. ¹Origin Center A, ²Origin Center B

Text summary and Tables

- The body of the Abstract (text and tables) should not exceed 300 words.
- The Abstract should be structured in the following order: a) Purpose of the study, b) Material and Methods, c) Results and d) Conclusions.
- If the Abstract refers to a clinical study, the approval of the National Drug Authority should be mentioned.
- For the objective evaluation of the Abstracts, identifying features such as author or institutional names should not be mentioned either in the title or in the text of the Abstract.

General instructions for the preparation of Abstracts

- Do not leave a space at the beginning of each paragraph.
- Use the tab key and not the space bar, to line up text lines or table rows, when necessary.
- Do not use characters that are not common in all fonts.
- Charts and tables should be placed one below the other, not side by side.
