CURRENT POSITION

04.2020 - Today

Ph.D candidate

Division Optics & Optometry, Department of Biomedical Sciences, , School of Health and Welfare, University of West Attica , Egaleo Park Campus, Athens, Greece - Attikon University Hospital, 2nd Department of Ophthalmology, National and Kapodistrian University of Athens, Greece

Thesis title: “*Correlation study of α -Tocopherol and Optic Nerve (RNFL) damage in Glaucomatous Patients with OCT imaging and Visual Field testing*”

EDUCATION

2018

Division Optics & Optometry, Department of Biomedical Sciences
School of Health and Welfare, University of West Attica , Aigaleo Park Campus, Athens, Greece
Thesis title: “*Assessment of Contrast Sensitivity in Age Related Maculopathy Simulation*”
Master of Science.

2004

Department Optics & Optometry, School of Health and Welfare,
Technological Educational Institution, Athens, Greece,
Thesis title: “*Progressive lenses design*” Bachelor.

FELLOWSHIPS and AWARDS

12/03/2017| 1st Prize, Best Poster Award, “*Differential Diagnosis of Glaucoma*” Department of Biomedical Sciences-School of Health and Welfare, University of West Attica, Campus One, Athens, Greece 11th Panhellenic Congress “The Visual Science Foundation of Optometry Development” Athens
